Application granted. The conference is

SO ORDERED.

Re: *United States v. Randall Harvey*, 17 Cr. 142

Dear Judge Abrams:

The parties write to respectfully request an adjournment of the status conference presently set for January 3, 2025, at 2:30 p.m. in the above-captioned case. To refresh the Court's recollection, the defendant pled guilty to one count of being a felon in possession of ammunition before Judge Marrero in *United States v. Randall Harvey*, 22 Cr. 079 (VM). The violation of supervised release pending before Your Honor primarily concerns the same underlying incident.

Sentencing in the case before Judge Marrero has been rescheduled for January 17, 2025, at 2:00 p.m. Because resolution of that case will likely impact the parties' ability to resolve the case before Your Honor, the parties agree that it makes sense to postpone a conference in this proceeding until after that sentencing occurs. Accordingly, the parties respectfully request that the scheduled conference be adjourned until after January 17, 2025.

Defense counsel consents to this request.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney for the
Southern District of New York
